

# CTPAT Statement of Support

EgeTrans USA, Inc. is proud to be certified by the U.S. Customs and Border Protection (CBP) as CTPAT Consolidator and Customs Broker. These certifications recognize our company's commitment to maintaining the highest level of security for the well-being of our employees, business partners and facilities and our global supply chains.

The executive leadership and management have committed to maintain and further develop a security program that is consistent with current CTPAT Minimum Security Criteria. As participants in this program, it is the policy of EgeTrans, USA Inc. to:

- Cooperate with Customs in its efforts to ensure the security of the supply chain.
- Meet and exceed the recommended business and security practices.
- Provide security training and guidelines for all EgeTrans employees
- Provide guidance and assistance to other business partners interested in joining CTPAT
- Investigate any situation or event that might be related to a breach in cargo security and notify the proper authorities
- Review, revise and update security practices and procedures on a regular basis or as needed.

Our main goal is to protect our global supply chains from any illegal or illicit activities. This responsibility is taken very seriously and we expect all employees and business partners to adhere to our CTPAT security policies and procedures implemented by the company. Thank you for your assistance and cooperation.
